

ECHO Key Messages

Emergency and Community Health Outreach

3 Key Messages for ECHO Show #6 (re-do 2008) **“Mass Dispensing of Medicine?”**

Note: the key messages must start with this line:

“If there’s ever a really big disease outbreak, here are 3 key things to remember:

Number 1: Don’t worry – there will be enough medicine for everybody

Number 2: Stay home, be patient, and wait for directions

Number 3: Be ready to answer questions about your family’s “health”
