## Key Messages

### **"Prevention of Kitchen Fires"**

Translation Deadline: Monday, March 29, 2010

**Translators: Translate only the words and not "Number 1, Number 2 and Number 3." Please contact your project manager with any questions.**

**Number 1:** The most common place for house fires is the kitchen.

**Number 2:** Prevent kitchen fires with proper use of stove and appliances.

**Number 3:** Learn what to do if you have a kitchen fire.

###
