

Key Messages for ECHO Show #___ & #___ “Preventing Hot Liquid Burns at Home”

Finalized Script Deadline: _____
Translation Deadline: _____

Translators: Translate only the words not “number 1, number 2, number 3 and number 4”. Please contact your project manager with any questions. Good luck!

Number 1: Constant supervision of children around hot liquids anywhere in the house is the most important step in preventing burns.

Number 2: Practicing safe cooking habits can help prevent hot liquid burns.

Number 3: Remember “up high and away” is the safest place for items that can cause hot liquid burns.
