Key Messages "Understanding Snow Emergency"

Translators: Translate only the words and not "Number 1, Number 2 and Number 3." Please contact your project manager with any questions.

- Number 1: Pay attention to snow parking rules so streets get plowed and you don't get towed.
- Number 2: Plan ahead so you know how to learn when a Snow Emergency is declared.
- Number 3: Be ready to follow your city's rules and move your car during each Snow Emergency phase.
- Number 4: Call hotlines or check city websites for latest information.
