Key Messages **“The Harm of Commercial Tobacco in Our Community”**

Translators: Translate only the words and not “Number 1, Number 2 and Number 3.” Please contact your project manager with any questions.

Number 1: Tobacco can cause serious health problems or death.

Number 2: Tobacco companies target children, women, immigrants and ethnic groups.

Number 3: Quitting tobacco is the best thing for you and your family.

Number 4: There is help and support available for people trying to quit using tobacco.
