Carbon Monoxide and Smoke Alarms

Protecting what matters most.

Nothing is more important than the safety of you and your family. So it's especially important that your home is as safe as it can be.

ECHO (Emergency, Community and Health Outreach) is proud to announce a television special about keeping your home safe from fire and carbon monoxide. This program will be broadcast in eight languages on *tpt*'s Minnesota Channel:

Sunday, April 3:

Hmong 7:00 p.m.
Somali 7:20 p.m.
Karen 7:40 p.m.

Sunday, April 10:

Lao 7:00 p.m.
Khmer 7:20 p.m.
Vietnamese 7:40 p.m.

Sunday, April 17:

Spanish 7:00 p.m.
English (captioned) 7:30 p.m.

This program educates viewers on some simple steps they can take to protect their homes against two potential killers: carbon monoxide and the toxic smoke associated with fire.

The program, *Carbon Monoxide and Smoke Alarms*, is also available in eight languages with English captions for the deaf and hard of hearing at www.echominnesota.org.
